WHO WE ARE

Scimitar are proud to be one of the UK's largest suppliers of sustainable playing kit, trainingwear, off-field apparel & accessories for rugby clubs.

Providing premium quality apparel for men, women and juniors alongside providing an unrivalled account management system allows us to build and tailor rugby apparel packages around your club's precise kit requirements

 **REVIEWS.io** ★★★★★

4.9 based on 170 reviews
(as of February 2025)

WHAT WE DO

Scimitar provide rugby clubs with products for all of their playing kit, training and off-field requirements for an affordable, one-stop solution.

From playing jerseys and shorts to sub coats and coaches jackets, we're able to provide you with a solution that ticks all the boxes. Our team have worked hard over the years to add exciting new products to our rugby range, and to make them available to all age-groups and genders where possible.

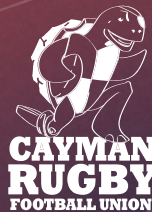

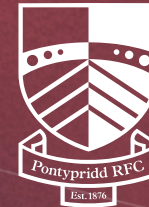

“

The guys have been incredible to work with.
Top quality staff and product. Highly recommend.

- Robert P ”

WHO WE WORK WITH

Scimitar provide custom sportswear & apparel for:

MEN'S PLAYING KIT

Say no to stock designs and get your kit together with Scimitar. Outfit your club with completely custom, premium & durable rugby kit.

We're proud to offer premium custom rugby kit for your club that's designed to turn heads. Using our reinforced tear-points & Qwick-Dri™ wicking technologies, we're able to create a functional, premium custom rugby kit that will stay cool and comfortable, whatever the weather.

Choose from a number of different collar and sleeve options and make your kit completely your own.

A vital piece of clothing while waiting on the sidelines. Waterproof and windproof in nature with thick a polyester insulation lining, this coat will withstand even the toughest conditions on the sidelines.

UNISEX

COACHES JACKET

SC-COJ-C-001

KEY FEATURES & OPTIONS:

Oversized fit for ultimate versatility & comfort
 Premium layer of insulated padding
 Windproof & showerproof
 Chest embroidery of club badge with rear embroidery available
 Available in black or navy dyed fabric

130gsm 100% polyester
 Woven 100% polyester interior & lining

Showerproof jackets that are perfect for coaches.

With conditions often cold and wet during the traditional rugby calendar, our custom jackets for coaches have been designed to provide warmth and consistent, premium branding in equal measures.

UNISEX

LONG SLEEVE BASELAYER TOP

SC-BL-C-001

KEY FEATURES & OPTIONS:

- Premium four-way stretch for retention
- Perfect for hot and cold conditions
- Enhanced wicking capabilities
- Worn under apparel or standalone
- Flatlock seams for additional comfort
- Fully sublimated for an all-over print

220gsm sports spandex
86% polyester / 14% elastane

Baselayers that are designed to regulate temperature.

Maximise performance with premium base layers from Scimitar. Designed for use in hot & cold conditions with an engineered fit that ensures prolonged comfort. Sublimation print allows for an all-over design.

MEN'S

SHORT SLEEVE BASELAYER TOP

SC-SSBL-C-001

KEY FEATURES & OPTIONS:

- Premium four-way stretch for retention
- Perfect for hot and cold conditions
- Enhanced wicking capabilities
- Worn under apparel or standalone
- Flatlock seams for additional comfort
- Fully sublimated for an all-over print

220gsm sports spandex
86% polyester / 14% elastane
Sleeveless option available

Short sleeved comfort when it's needed the most.

Fully sublimated for an all-over design, our short sleeved base layers provide you with a compression-style fit to maximise performance and recovery, while keeping you temperature-regulated.

MEN'S

WOMEN'S

JUNIOR

BASELAYER SHORTS

SC-BLS-C-001

KEY FEATURES & OPTIONS:

- Premium four-way stretch for retention
- Elasticated waistband & flatlock seams for comfort
- Enhanced wicking capabilities
- Worn under apparel or standalone
- Fully sublimated for an all-over print

220gsm sports spandex
83% polyester / 17% elastane

Don't compromise on comfort with our baselayer shorts

Comfort is key for Scimitar base layer shorts, offering compressive qualities and designed to be non-chafing. Combine with a long or short sleeve baselayer top for the ultimate temperature regulation.

MEN'S

WOMEN'S

JUNIOR

WOMEN'S LEGGINGS

SC-LEG-C-001

KEY FEATURES & OPTIONS:

Enhanced wicking capabilities
Designed for everyday use
Flatlock stitched seams & internal waist tie
Rear zipped valuables pocket

230gsm four-way stretch fabric
84% polyester/16% elastane

Leggings engineered for intense performance.

Designed to be comfortable, lightweight & functional. Manufactured using premium polyester and printed with sublimation for durability, the four-way stretch fabric offers a high level of flexibility & comfort with stretch retention.

WOMEN'S

JUNIOR

WOMEN'S BRA TOP

SC-BRA-C-001

KEY FEATURES & OPTIONS:

Fully sublimated for an all-over print
Enhanced wicking capabilities
Designed for everyday use
Removable bra pads (on women's sizing only)

230gsm four-way stretch fabric
84% polyester/16% elastane

Built to offer unrivalled comfort, whatever the activity.

Made with our exclusive 230gsm fabric, our bra tops are made with 84% polyester & 16% elastane for an ultimate fit. Designed for all scenarios and work out types, these bra tops are designed to be worn either as an underlayer or outerlayer.

WOMEN'S

JUNIOR

WOMEN'S 2-IN-1 SHORTS

SC-2RS-C-001

KEY FEATURES & OPTIONS:

Unprecedented comfort during workouts
Internal waist tie
Fully sublimated for unlimited colours, logos & branding
Upgrade to include a zipped rear pocket on waistband

Outer shorts: 160gsm woven four-way stretch fabric (93% polyester/7% elastane)
Inner shorts & waistband: 220gsm flat polyester (83% polyester/17% elastane)

Offering an exceptional range of movement, comfort & adjustability.

Incorporating a baselayer short with a traditional outer layer, our 2-in-1 shorts offer a reduced chance of chafing thanks to the inner short layer. As these shorts ride up less, they are also considered a more modest product for female athletes.

PLAYING KIT SIZE GUIDE

1. Chest

Measure around the largest part of your chest. Be sure not to pull the measuring tape too taut.

2. Bust

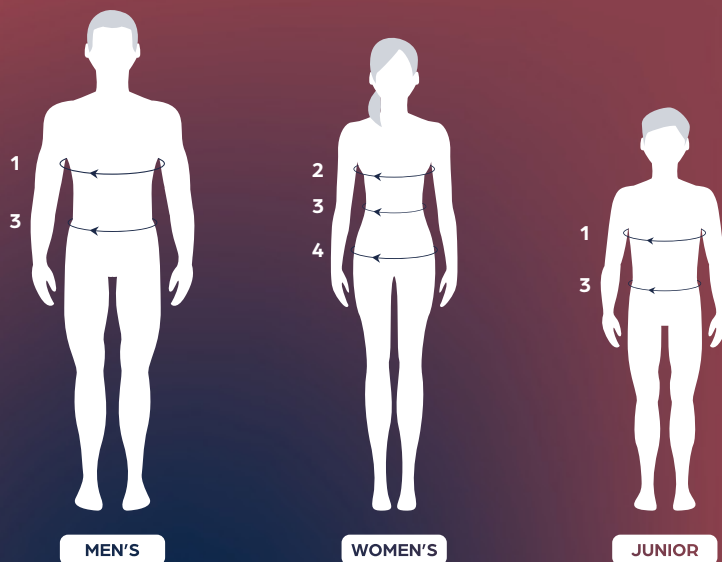

Measure around the fullest part of your bust, across your shoulder blades.

3. Waist

Measure around your natural waistline and ensure the measuring tape is taut.

4. Hip

Stand with your feet together and measure around the widest part of your hips. Ensure the measuring tape is taut.

ORDER PROCESS

Enquiry

Discuss options, delivery dates & prices with our team of specialists. With hundreds of options & upgrades available, we can match products to your precise needs & requirements.

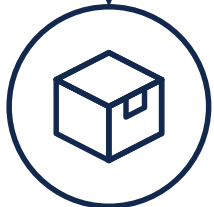

Artwork

Once we've agreed on the products & your quote, it's on to the design. Our creative team will bring your apparel to life, either designed & crafted from scratch or from existing designs.

Sign-Off

Prior to production, you'll be asked for final sign-off. Once we're past this stage, it's all go. You'll be given an ETA for your delivery at this point, and our team will provide all relevant information

Delivery

With a worldwide delivery network, we can deliver almost anywhere with a fully tracked & insured delivery. You'll be advised of a delivery date a few days before it's dispatched.

We like to keep things simple, for you and for us. By streamlining our order process, we aim to make it clear and transparent from the outset.

WE PLANT TREES

Every year, we plant **4620 trees** in both high-impact global ecosystems as well as a number of trees in Dalry, Scotland. Each of these is **fully certified and traceable** to the **VERRA Verified Carbon Standard**.

We help fund carbon offsetting initiatives on global projects with our partner **Ecologi**. With this, we **offset the carbon footprint of each of our UK employees** both professionally and personally every year.

CARBON NEGATIVE

WearThenShare™

Working with our domestic and overseas partners, we'll pick up **disused/old sportswear** from our clients when we deliver their new kit, and **redistribute to community schemes** in developing nations.

We will work to **support your own sustainability goals** and methods, and introduce new framework and methods as part of our partnership to ensure sustainability is always at the forefront of what we do.

SUPPORT
